

SECTION 2

GENERAL

2.1 SMOKING POLICY (rev.4/2024)

Alaska's Smokefree Workplace law, AS 18.35.301 prohibits smoking in enclosed public places and workplaces. For more information, visit smokefree.alaska.gov.

Smoking means using any of the following:

- Cigarettes
- E-cigarettes, vaping, vape-pens
- Cigars and pipes
- Other oral smoking devices that contain tobacco or marijuana.

Except for the two designated smoking areas on the map below, smoking is prohibited within the FAI passenger terminal campus. This prohibition includes all enclosed public spaces, taxis, busses, shuttles, sidewalks, rest areas, public/employee parking lots, terminal, Gates A & B Ramp area, and South Cargo Apron.

SMOKING IS PROHIBITED WITHIN THE AIR OPERATIONS AREA (AOA)

Compliance

Individuals who choose not to comply with the law are subject to a \$50 fine.

Enforcement

Contact the Airport Communications Center at (907)474-2530 to report a violation on airport property. Complaints may also be filed at smokefree.alaska.gov.
