

SECTION 2

GENERAL

2.7 CONDUCT ON FAIRBANKS INTERNATIONAL AIRPORT PROPERTY

(rev. 12/2021)

In accordance with Alaska Administrative Code 17.42 and State of Alaska Polices, under the authority of the Executive Branch, the following operation orders provide written instruction on required conduct on all Fairbanks International Airport (FAI) property and to all persons entering in or on such property. State owned airport facilities and properties are defined as state owned and state leased.

Disturbances

All persons entering in or on FAI property are prohibited from loitering, exhibiting disorderly conduct or exhibiting other conduct on the property which:

- Creates loud or unusual noise or a nuisance;
- Unreasonably obstructs the usual use of entrances, foyers, lobbies, corridors, offices, elevators, stairways, or parking lots;
- Otherwise impedes or disrupts the performance of official duties by Airport employees; or
- Prevents the general public from obtaining the services provided at the airport in a timely manner.
- Poses any safety hazard, or one that impedes airport/aircraft operations

Smoking

Smoking in any form is a nuisance and a public health hazard, as defined in AS 18.35.300, and is prohibited in:

- FAI terminal building;
- Terminal vehicle concourse & terminal parking lots;
 - Smoking on the terminal campus area may only occur within the designated smoking shelters located between the terminal parking lots and the concourse.
- A vehicle of public transportation;
- The Airport Operations Area.

Dogs and Other Animals in Terminal

All pets must be under immediate control, restrained (leashed) and shall not pose a safety hazard. Pets are allowed in the FAI terminal for activities related to;

- airline travel
- activities authorized by the Airport Manager
 - FAI reserves the right to direct the removal of any animal from FAI property.
 - Any animal waste shall be disposed of immediately by the owners or caretaker or person in control of the animal.

Posting and Distributing Materials

All persons entering in or on FAI property are prohibited from:

- Posting or affixing materials, such as pamphlets, handbills, or flyers, on bulletin boards or elsewhere, except as authorized by Airport Management
- Distributing materials, such as pamphlets, handbills, or flyers, unless conducted as part of an authorized State activity.

Individuals wishing to participate in First Amendment activities and associated permitting on FAI property should reference FAI Operational Order 2.2 and contact Airport Operations at (907)451-2300.

Alcohol

No person may possess or consume open containers of alcoholic beverages or liquor while in the FAI terminal building, associated parking areas, pedestrian byways, or terminal concourse, except;

- in accordance with Alaska Statute Title 4 licensed premises within the FAI terminal building or associated aircraft.

Vehicular and Pedestrian Traffic

All vehicle drivers entering or while on State property:

- Must drive in a careful and safe manner at all times;
- Must comply with the signals and direction of law enforcement officers or other authorized individuals;
- Must comply with all posted traffic signals & signs;
- Must comply with any additional posted traffic and parking directives;
- Are prohibited from blocking entrances, driveways, concourses, walks, loading platforms or fire hydrants;
- Are prohibited from parking on FAI property without a permit if required in the designated Area. Parking without authority, parking in unauthorized locations or in locations reserved for other persons, or parking contrary to the direction of the posted signs is prohibited.
- Vehicles parked in violation are subject to ticketing and/or removal at the owner's expense.

Unattended Children

FAI is dedicated to providing an environment that encourages the public to visit our facilities and make use of our services. Airport and airline employees are available to provide assistance; however, FAI is not responsible for children who are left unattended. Parents, guardians, or other responsible caregivers are solely responsible for the safety and behavior of their children while at FAI. Children, like all building visitors, are expected to conduct themselves in an appropriate manner. "Unattended children" are children of any age who are not in the immediate company of a parent, guardian and/or responsible caregiver. The Airport Police or other appropriate party may be contacted if a child is left unattended or if a child otherwise appears to be at risk.

Explosives

No persons entering or while on FAI property may carry or possess explosives, or items intended to be used to fabricate an explosive or incendiary device, either openly or concealed, except as authorized by the Airport Manager.

FAI Float Pond

Use of the FAI float pond is restricted to the takeoff, landing and taxiing of aircraft only. Watercraft use is prohibited except for emergency or official airport use. Fishing in any lake, pond or waterway within the FAI Air Operations Area is prohibited.

Open Burns

Open burning on FAI property is prohibited year round without prior approval by the Airport Police and Fire Department who can be contacted at (907)474-2530.

Tanana River Levee on FAI Property

FAI property includes portions of the Tanana River Levee, and are defined as follows:

- That area of FAI property generally bounded by South University Avenue and South Airport Industrial Road to the north, the Chena River to the west, the Tanana River to the south, and a diagonal line running from the southwestern end of levee finger G, northeast to the Mitchell Expressway. FAI property area includes the associated Tanana River levee and other unpaved roads, trails, bodies of water and woodlands located within it.

Prohibited activities on FAI property, including the areas around the Tanana River Levee, include:

- Discharge of firearms
- Hunting
- Trapping without an airport permit
- Camping
- Woodcutting
- Littering/dumping of debris or trash
- Open burns without an Airport Fire Department approval
- Unpermitted public events or organized activities
- Off-Roading of Passenger Vehicles

Persons shall use the area in a way that is respectful and considerate of other users to include operating ATV's, vehicles, and watercraft in a safe manner at reasonable and prudent speeds for the surfaces.

Access and use of the gravel pit and associated lands known at the "Wilder pit" located north of the wooded area between levee fingers D and E is prohibited.

Failure to comply with any part of this Operational Order may result in persons being trespassed, issued a citation under 17 AAC 42.020 or related regulation/statute, or being arrested and/or charged with a crime under the applicable Alaska Statute.
