

**Q1**

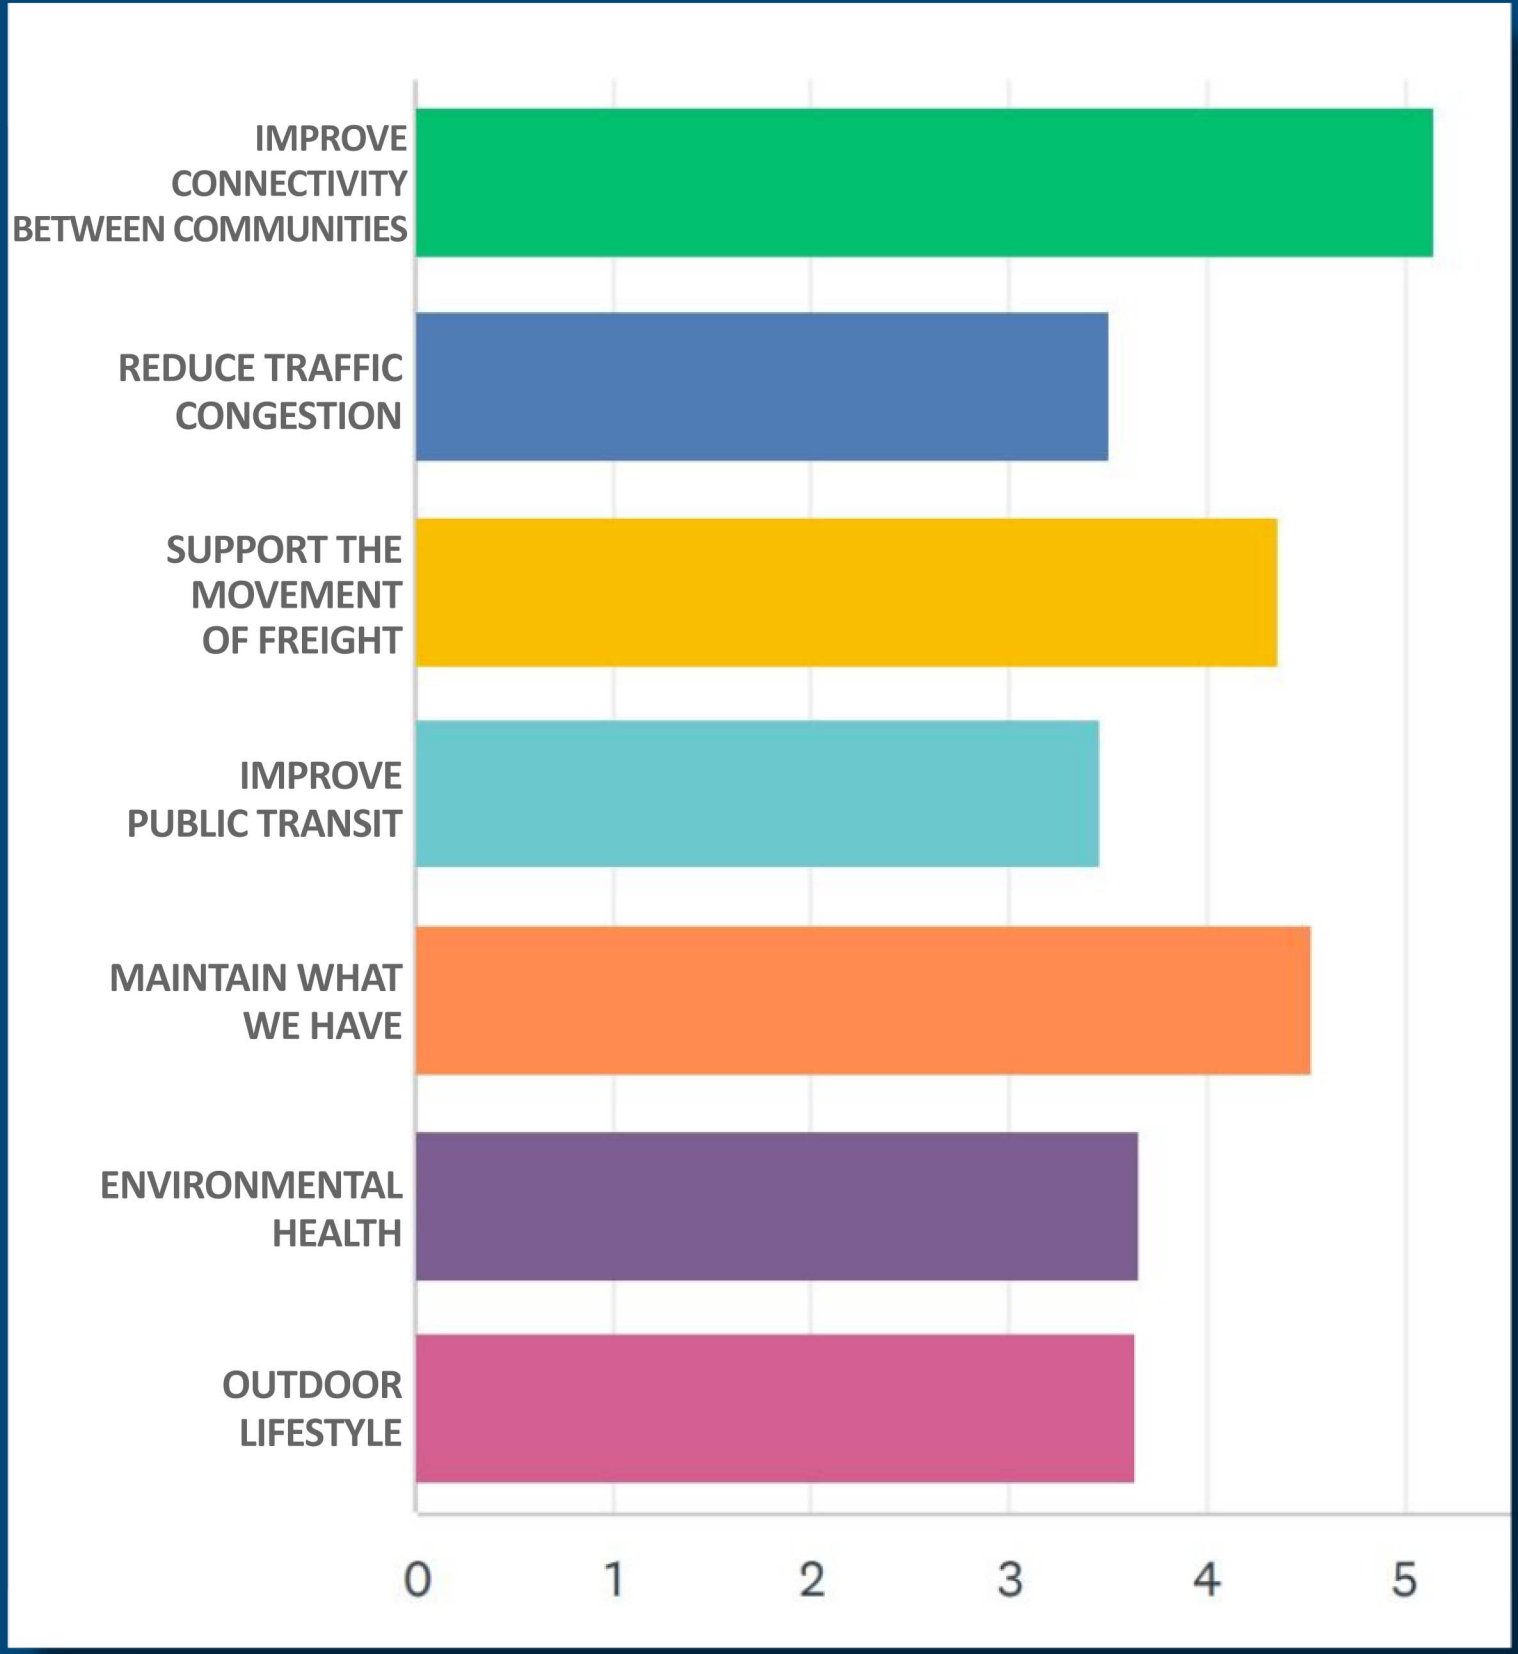

# Rank the modes of travel you use from the most frequent to the least frequent.

1. HIGHWAY
2. NON-MOTORIZED
3. AVIATION
4. MARINE OR RIVERINE
5. PUBLIC TRANSIT
6. RAILROAD SYSTEM

# Prioritize your most important infrastructure needs from top priority to lowest.

1. IMPROVE CONNECTIVITY BETWEEN COMMUNITIES
2. MAINTAIN WHAT WE HAVE
3. SUPPORT THE MOVEMENT OF FREIGHT
4. ENVIRONMENTAL HEALTH
5. OUTDOOR LIFESTYLE
6. REDUCE TRAFFIC CONGESTION
7. IMPROVE PUBLIC TRANSIT

# Q3 What are your top improvement priorities for Ak's transportation system?

## Common themes

- AMHS
- BRIDGES
- SAFETY
- ANCHORAGE
- AIRPORTS
- RURAL
- MAINTAIN
- MOVEMENT OF FREIGHT

### AMHS

*"Revitalize our ferry system. It is our only Highway between our island communities."*

### SAFETY

*"Continued road safety improvements on our most traveled highways:  
Seward Highway, Sterling Highway, Parks Highway, Richardson Highway."*

### AIRPORT

*"Invest in aviation weather equipment for remote airports, more AWOS weather stations."*

### MOVEMENT OF FREIGHT

*"Improved freight services to rural communities."*

# Q4 In 20 years, what would you like Ak's transportation system to look like?

## Common themes

- AMHS
- ENVIRONMENTAL HEALTH
- MAINTAIN
- ANCHORAGE
- SAFETY
- BRIDGES
- RURAL
- AIRPORT
- PUBLIC TRANS

### AMHS

*"Reliable, dependable, sustainable, safe marine travel for Alaska."*

### ENVIRONMENTAL HEALTH

*"Resilient to a warming climate...electric vehicle charging stations, equipped to support smart vehicles and self-driving vehicles."*

### BRIDGE

*"More than one way in and out of Anchorage if the Eagle River Bridges goes down... would also pay a toll for an alternative route."*

### PUBLIC TRANSIT

*"Less congested by improving public transit and adding and improving pedestrian walkways."*
