

**Alaska Department of  
Transportation & Public Facilities**

**Airport Way West Improvements**  
July 18, 2018 Public Meeting

Project No. Z618720000/061(0004)

*Keep Alaska Moving* through service and infrastructure

During this meeting we'll discuss:

- Purpose and need for the project
- The proposed solution
  - Note: the roundabout alternative is no longer proposed
- Benefits of the proposed solution
- Your feedback on the proposed project

*Keep Alaska Moving* through service and infrastructure

## Purpose and need for the project

The Airport Way West Improvements project is based on a need for:

- Improved pavement conditions
- Increased area connectivity
- Minimizing future maintenance costs
- Improved access for non-motorized users
- Improved drainage
- Resolving utility conflicts

*Keep Alaska Moving* through service and infrastructure

## Project History

- Project scope presented in 2004 and 2009 included construction of a roundabout on Airport Way between Dale Rd and Old Airport Rd
  - Due to a lack of traffic growth in the area, the roundabout is no longer an alternative under consideration
- Current scope includes:
  - Roadway resurfacing
  - Construction of a non-motorized pathway
  - Minor intersection improvements
  - Lighting, signage, and guardrail improvements

*Keep Alaska Moving* through service and infrastructure

## Traffic Growth Considerations

- Average Annual Daily Traffic (AADT) on Airport Way has fluctuated in a slightly downward trend for the past 10 years

**AADT at Hoselton Rd, 2000 - 2015**

Year	AADT
2006	10300
2007	12000
2008	12400
2009	11100
2010	11300
2011	9600
2012	9700
2013	9100
2014	9400
2015	10000

- Current traffic projections do not warrant major intersection improvements (i.e. construction of a roundabout)

*Keep Alaska Moving through service and infrastructure*

## Proposed Solution

*Keep Alaska Moving through service and infrastructure*

## Proposed Solution

- **Resurfacing Airport Way**
  - from FIA Terminal to Parks Highway eastbound on-ramp
- **Resurfacing**
  - Dale Road
  - Hoselton Road
  - Old Airport Road
  - Wein Lake Road

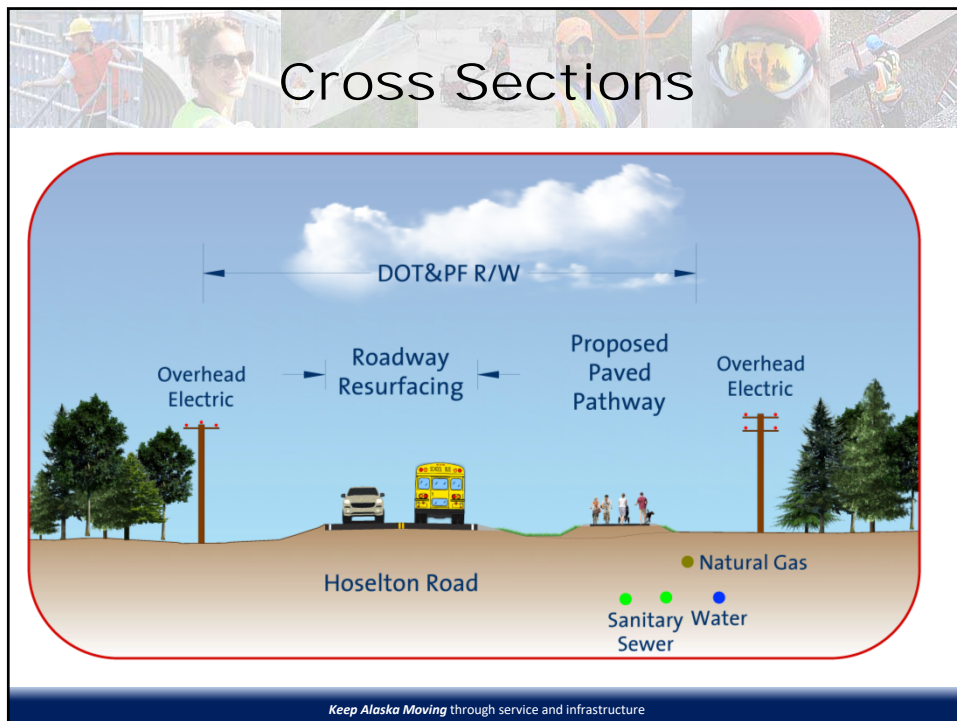

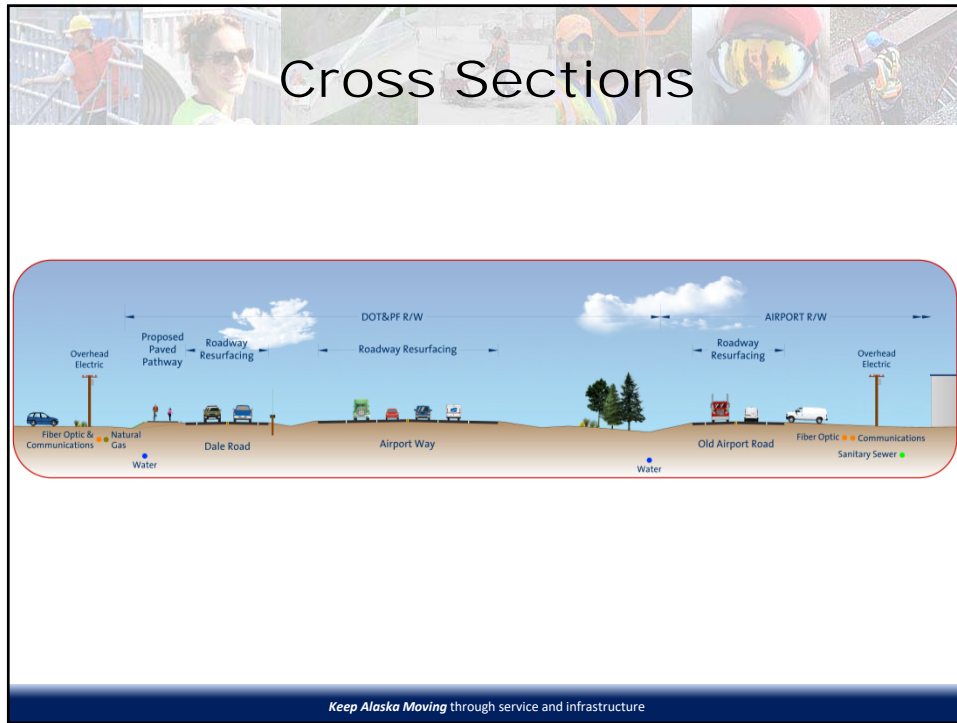

*Keep Alaska Moving* through service and infrastructure

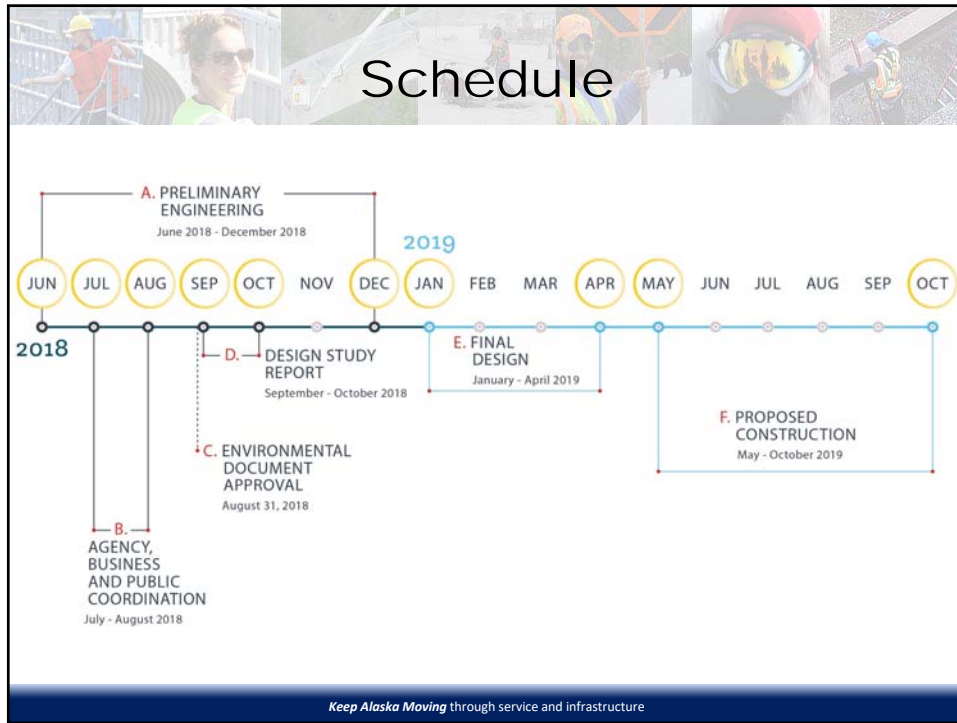

## Proposed Solution

- Construction of a **Bike and Pedestrian Path** along Dale Road and Hoselton Road
- Addition of a **Right Turn Lane** on Airport Way at Dale Road
- **Drainage improvements**

*Keep Alaska Moving* through service and infrastructure

**Thank You!**
