## **COMMENT SHEET**

## Angoon Airport Project SFAPT-00086

The Alaska Department of Transportation and Public Facilities (DOT&PF) in cooperation with the Federal Aviation Administration will design and construct a new airport in Angoon.

## The design project will:

- Determine the airport layout and design elements, such as runway orientation, aircraft parking location, and airport access
- Acquire permits

DOT&PF hired consultants PDC Engineers and HDR Alaska to develop the airport design and create the engineering documents needed.
