

# HPCM Ch. 2 & 4 Revision Summary Notes

---

## **GENERAL**

Major revisions focus on the following:

- Advanced ROW Activities
- Standard Plans and SPDRs (mainly to incorporate the Chief Engr. Directive of Jan. 25, 2019)
- Specifications (to address the Final Rule on Patented and Proprietary Products and the revised P&P on Proprietary and Named Brand Products)
- Local Concurrence (e.g. AS 35.30 - Consistency with Local Gov't Plans and Ordinances)

## **CHAPTER 2 - ORGANIZATION**

Section 200 – Design and Engineering Services Organization

- a. Changes reference from Southeast to Southcoast
- b. Updated Statutory Authority section to match the current AS 44.42.010
- c. Updated Figure 2-1 to reflect the new regional boundaries

## **CHAPTER 4 – PROJECT DEVELOPMENT PROCESS**

Section 400 - Introduction

- Advanced ROW Activities in Fig 400-1 & Fig 400-2 Flow Charts.

Section 410 - Project Oversight

*No changes*

Section 420 - Administration

- Subsection 420.1.1 Added advanced ROW language.

Section 430 - PE to Environmental Document

- Subsection 430.6.5 Support Group Activities (Bridge heading) Added language regarding requirements for a start-up package.

Section 450 - PE thru Final PS&E

- Global replacement of Standard Drawings with Standard Plans
- Subsection 450.7.3 - comprehensive rewrite covering standard plans and SPDRs
- Subsection 450.7.4 - Specifications. Added subheadings covering:
  - Open competition
  - Named brand products
- Subsection 450.9.9 - Right-of-Way. Discussion of what activities, normally done after the environmental document (ED) completion, that may be done prior to ED completion (e.g. permissible advance ROW activities).

- Subsection 450.17 - rewrite of the Local Concurrence subsection. This was a result of a legal review and opinion of AS 35.30. Previously reviewed by the regions and inclusion in the HPCM is a solely a formality.
